HEAVY RAINS MARK CLOSING DAY OF THE GRAVESEND MEETING.

Beaucoup Wins the Myrtle Selling Stakes-W. B. Jennings to Retire as Owner-Jockey Knapp Restored to Good Standing.

New York, June 16.—For the last day at Gravesend, the feature was the Myrtle Selling Stakes, and
it went to Beaucoup, first choice in the betting,
very easily. Heavy rains during the night made
the track muddy and threatening clouds all day kept
the attendance down, though the crowd was a
goodly one considering the circumstances. Scratches
were numerous in most of the races. Of equal importance with the Myrtle was the nile and a sixteenth handicap that went to Reybourn. Only five
started and Martinez, the favorite, was beaten for
the place by Uncas Chief, a long shot that last
senson showed a decided liking for sloppy going.
G. M. Odom's Follie Levy took another sprint race
and Frank Regan's Ardri lasted to beat Black Mate
in the nile and an eighth race for selling platers.
Blue Mouse was winner of the second two-year-old
race and Shawnee beat a bad lot of maidens in the
last.

The indications are that the track will be heavy

ALL READY AT HAMILTON.

Large Field in Prospect for the Derby on Saturday -Stables Filled to Overflowing.

Hamilton, Ont., June 16.—What promises to be the greatest meeting ever held by the Hamilton Jockey Club is scheduled to begin on Saturday with a card of eight races. Included in the offerings will be the Hamilton Derby, a steeplechase over the short course, a race for Canadian-bred horses and a mile dash over the turf course. Secretary London reports over 600 horses within the enclosure and in the stables on the outside as far away as two miles from the course. This is a record number for Hamilton. The track was never in better condition and special attention has been devoted to the turf course, which is now at its best. The Derby promises to be a great race. Of the forty-three nominations about a dozen will go to the post. The race has a guaranteed value of \$2.500, the winner's portion of which is \$2.000, and it is expected that Sam Hildreth will send on either Dalmatian or Eddie Dugan, both of which are among the eligibles. Barney Schreiber has already notified Mr. Loudon that Sager is on his way, accompanied by the great sprinter, Jack Atkin, and the presence of both these horses will add lustre to the sport, Among the late arrivals are J. S. Ward from Latonia, William Garth from New York and William Walker from Montreal.

The steeplechase division is especially strong this year, Yesterday forty-seven jumpers were schooled through the field and but few made mistakes, In the Garth lot were three fencers, Stellaland, Diopit and Xebec. William Gerst also sent on four jumpers.

the Garth lot were three reneers, Stemana, 1997, and Xebec, William Gerst also sent on four jumpers.

Numerous applications for stable room had to be turned down and 1,000 horses would be here if accommodations could be provided for that number. The betting enclosure at Hamilton will be under the management of Mortimer Mahoney. The latter has opened headquarters here and reports that most of the layers who operated at Toronto will be on hand to do business.

Work-outs of some of the Derby eligibles this morning were as follows:

Banives—Three-eighths in 36,
Busy—Mile in 1:40,
Collis Ormsby—Mile in 1:44,
Dathousie—Mile in 1:41, last quarter in 2:10½,
Fountain Square—Three-quarters in 1:18½, cantering.

Hickory Stick—Mile in 1:44.

Hickory Stick—Mile in 1:44. Wm. Pitt—Mile in 1:44.

Wm. FIII.—Mile in 1:44.
J. Wilson will have the mount on Wm. Pitt, G. Burns on Banives, Hincheliffe on Busy, Goldstein on Dalhousie, Musgraye on Chief Kee, Taplin on Don Antonio, Hammond on Detroit, and O'Connor on Collis Ormsby.

Collis Ormsby.

S. Davis will probably come on to ride Sager and if Hildreth sends Dalmatian, E. Dugan or C. H. Shilling will come to ride him.

AUGUST BELMONT ON RACING LEGISLATION

New York, June 16.—Racing men in the metropolitan district do not seem to be worried because the governor signed the new racing bills at Albany. Yesterday August Belmont, chairman of the Jockey Club, said that racing would continue until September 1 at least. But he deplored Governor Hughes' action, especially as a blow to the breeding of horses. Regarding the effect on racing he said: "There is no reason why racing should not be continued. The bill which is called the oral-betting bill does not become operative as a law until September 1. There has been no bookmaking on the tracks under the jurisdiction of the Jockey Club since the Yes pool law was wiped out. The directors' personal liability law, as I understand it, becomes operative at once. But as the Court of Appeals has decided that the present mode of oral betting is not a violation of any law, I cannot see how any director can be held liable for a crime when the highest court in the state says no crime has been committed."

Whether racing will continue after September 1, when the anti-oral-betting law takes effect, is a subject Mr. Belmont said the Jockey Club stewards must consider. Owing to the ambiguity of the law it is likely the courts will be asked to interpret its provisions.

CONDENSED HISTORY OF THE SUBURBAN HANDICAP

This is Suburban Handicap day and, although New York racing is involved in doubt and insecurity, there is nothing to prevent the running of today's great race with an attendance up to the traditions of the event. The fear that it may be the last Suburban, unless some means of counteracting the hostile legislation promoted all too effectively by Governor Hughes can be found in the courts, may itself operate to bring out an attendance that will be justly accounted remarkable. From its first running the Suburban has been an immensely popular race and the giants of American racing have contested for its honors annually. Its first running gave a foretaste of its destined quality when, in a titanic struggle, General Monroc, War Eagle and Jack of Hearts finished heads apart, with seventeen other stars of the time behind them, George Kinney, Barnes and Pizarro being in the unplaced division. No mediocre race horse ever wor the Suburban. One and all of its victors have been stars of the track and among them such truly illustrious ones as Pontiac, Troubadour, Eurus, Raceland, Salvator, Ramapo, Henry of Navarre, Ben Brush, imp, Kinley Mack, Gold Heels, Africander, Hermis, Beldame, Ballot and Fitz Herbert were especially of the first order of excellence. No horse has won the Suburban twice, but Terra Cotta and Major Domo finished second twice. Ballot is in great fettle at present and it is quite possible that it is reserved for lane in the become the first to win the fame of being the first double Suburban winner. FIRST HALF OF THE DOUBLE EVENT THIS AFTERNOON

Among the many stake races with ingeniously devised conditions of the Coney Island Jockey Club the Double Event, for two-year-olds, has always ranked high in the esteem of owners and it has furnished many a stirring contest. It is divided into two parts, the first of which is always run on the first day of the Sheepshead Bay June meeting and the second on the last day of the meeting. Prior to last year each half was of the guaranteed value of \$10,000. This year it is cut down to \$4,000 for each half. As things are now in a racing way, this is fairly liberal and worth sending the crack two-year-olds after. In its carlier years both halves were won several times by the same horse, Torso, Russell, Hornpipe, Handspring and Ornament all succeeding in the feat, but since 1896 no other one has been able to triumph in more than one of the two parts of the race. One of Hamburg's few defeats came ia the first half of the Double Event when he succumbed to Bowling Brook and Laudeman. The record of the event is as follows:

JUDGE ASPINALL'S DECISION.

JUDGE ASPINALL'S DECISION.

New York, June 16.—Justice Aspinall, in denying it the motion of attorney John B. Stanchield for the dismissal of the indictments found by the King County grand jury last September against the Concisiand Jockey Club, the Brooklyn Jockey Club and two members of his staff and dismissing the der murrer interposed by the two Jockey clubs, in which they set up the content decided into the term of the sections in the Code of Criminal Procession of the sections in the Code of Criminal Procession of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Code of Criminal Processor of the sections in the Follows in the Senator Wash of the Processor of the Section o

votes in the Senate, and if it did not, then the Legislature's adoption of the compilation by the Board of Statutory Revision of the contents of the statute books did not give life and existence as a statute to such law.

"In support of this contention the learned attorneys representing the defendants herein have submitted to me a very voluminous and exhaustive brief in which this question is ably presented and argued. "I have read and re-read the same with great interest, and have given this question considerable study and attention, but I cannot concur or agree with counsel's reasoning or conclusions.

"I am of the opinion that the apportionment act of 1907 is constitutional, and that the Hart-Agnew bill or bills received a constitutional majority of the lawful votes in the Senate on June 11, 1908, and is therefore in reality a valid and binding statute and should be respected and obeyed.

"This conclusion or decision might be argued and written out at great length, but it seems to me uncerssary to do so while sitting at a criminal term of this court and before trial.

"I am not called upon to decide or pass upon the second very interesting question raised by the learned centlemen representing the defendants, to wit: "Whether if in law the said bills failed of passage, the Legislature's adoption of the compilation by the statute books gave existence as a statute to the "Hart-Agnew law," for the reason that I have already decided that the said bill or bills did not fall of passage, but did receive a constitutional majority of all the lawful votes in the Senate, and it therefore leave this interesting and very important question for the higher courts to determine. "The demurrers interposed by the defendants to each indictment must be overruled for the following reasons:

"The indictments as to the crime of conspiracy are properly drawn and do not conflict in any way with

FAVORITES AGAIN BEATEN

FIRST CHOICES CONTINUE TO DO POORLY AT LATONIA TRACK.

Governor Grav Regains Some of His Lost Prestige by Impressive Victory in Juvenile Race-Alice George Beats Good Ones.

Cincinnati, O., June 16.—Today's card at Latonia was rather ordinary, but the attendance was remarkably large. Keen interest was aroused in the meeting of supposedly the best youngsters here in the fourth race. Governor Gray regained some of his lost prestige by scoring in impressive fashion by a good margin. Labold barely saving the second place from the fast-coming Jack Denman, with James Mc. and Delaney next, noses apart. H. G. Bedwell's Lochiel, from which much was expected, was never a serious factor in the running and finished in the ruck.

Favorites again utterly failed, not a single first choice scoring during the afternoon. Close finishes came with the running of most of the races. In the opener Mary Day, one of the outsiders grouped in the mutuel field, gave the form players a shock by ontstaying the favorite, H. R. Brandt, in a spirited final furlong drive. Rice Grain, well fancied by the Lexingtonians, scored a fluky victory in the second over White Eagle. The latter was much the best and with a better beginning would have won.

Alice George, overlooked even by her owner, took Barnsdale and Merrick into camp, with Clint Tucker and Star Venus trailing. Chas. F. Grainger recovered his speed suddenly in the fifth and made his opposition appear ordinary, winning eased to a canter in time, that almost equaled the track record. Quagga led throughout in the closing race, for which My Gal was a warm favorite, but failed to finish in the money.

As a result of over-exertion while reducing, coupled with hot weather, jockey Kennedy was taken with several fainting spells while in the jockeys' quarters before race time and later began to rave and became violent, necessitating the efforts of several persons to subdue him. He was taken to his home, where he is at present under a doctor's surveillance.

Lon Johnson arrived from Louisville this morning with Tony W. and four two-year-olds that he will race here.

Joseph A. Murphy was among today's visitors. He is en route from his home in St. Louis to Hamilton, where

American Jockey Wins Four Races in One Day at Ascot-Sir Martin Unplaced in Gold Cup.

London, Eng., June 16.—Danny Maher, the American jockey, who has scored over a thousand successes on the English turf, had remarkable success at Ascot today. He piloted horses that won in four races and finished second in another. "Skeets" Martin, another American jockey, took the honors in the fifth race, the Americans leaving only one first and a walkover in the whole day's card for the British jockeys. The Gold Cup. feature of the day's racing, was captured by Mr. Fairie's Bayardo, ridden by the American jockey, Danny Maher, W. K. Vanderbilt's Sea Sick H. was second and J. Lowry's Bachelor's Double third. There were thirteen starters.

The Gold Cup, with a value of 500 sovereigns, with 3,500 sovereigns in specie added, was offered for three-year-olds and over. The distance is two miles and a half. This race attracted a great crowd. Mr. Vanderbilt's Sea Siek II. and M. A. Aument's Aven were brought over from Paris to compete. Bayardo was the easiest kind of a winner, leading by four lengths at the finish. Sir Martin, owned by Louis Winans and ridden by "Skeets" Martin, ran unplaced. Sir Martin and Bayardo were equal choices at 7 to 4. Sea Siek II. was 6 to 1 and Bachelor's Double 8 to 1.

The All-Aged Stakes, of five sovereigns each, with 300 sovereigns added, for two-year-olds and over, distance three-quarters of a mile, was won by H. P. Whitney's New Castle, ch. c., 3, by Meddler—Homespun. Lawrenny was second and Nevoluice third. Only three horses ran.

Lord Villier's Greenback had a walkover in the Rous Memorial Stakes, worth \$5,000. Greenback, it will be remembered, finished second to Lemberg in the Derby,

REARRANGEMENT OF FLORIDA SCHEDULE.

Cincinnati, O., June 16.—J. U. Strode returned today from Florida with the information that he had been made a proposition by reputable Pensacola people to take charge of racing in connection with the newly-formed Inter-State Fair Association at that place. Fourteen Florida counties are interested in the venture, and several counties of Alabama. It is proposed to give thirty days of racing in the fall and a like meeting in the spring over an improved track. The objectionable features attending the recent meeting will positively be eliminated and none of those who had anything to do with that meeting will have any voice in the affairs of the new association. The Pensacolans plan to operate in conjunction with Tampa. Mr. Strode realizes that a 100-days meeting is too much for Tampa, and he looks with favor upon the proposition of thirty days at Pensacola. He could then assure horsemen 120 days of racing each winter and reduce the Tampa meeting to sixty days, beginning January I. Mr. Strode claims that the Pensacola management will be financially strong. It is planned to give six races dally, with purses ranging in value from \$200 to \$300, and an occasional handicap of \$400.

LIST OF PONS YEARLINGS.

Cincinnati, O., June 16.—Walter O. Parmer was here yesterday and confirmed the report of the sale of his entire crop of Tennessee-bred yearlings to F. J. Pons. There are twelve in the lot and ten of them are out of dams that have produced stake winners. The other two are first foals of the noted race mares, Bessie McCarthy and Niaxus, the latter of which ran many good races for S. C. Hildreth. While the amount involved was not definitely divulged, it is said that the youngsters averaged over \$1,000 each. Mr. Parmer considers them a better dezen yearlings than has ever left Tennessee. The list is as follows:

LOUISIANA REVIVAL ABANDONED.

Baton Rouge, La., June 16.—Racing will remain dead in Louisiana for at least two more years, After feeling the pulse of the state lawmakers, the New Orleans merchants who proposed an amendment to the stringent Locke anti-racing law, decided not to present the case. It was announced here today by the leaders of the movement that no effort would be made to present the amendment and they have returned home.

Governor Sanders is held responsible by those who would have altered conditions in Louisiana, because he declared he would veto any measure looking to the amending of the Locke law. In the face of this powerful executive influence, augmented by opposition from the country members, it was decided to be a hopeless fight and it was abandoned today.

Louisiana wants the Panama Exposition and the Locke followers declared that should the racing revival be pushed they would fight the exposition tax amendment before the people. This frightened many and the multiplied confusion made it inadvisable to enter upon the fight.

KEENE JUVENILES REGAIN CONDITION.

New York, June 16.—James R. Keene's two-year-olds that were ailing in the early spring are now eujoving robust bealth and will be seen in action during the Sheepshead Bay meeting. FITZ HERBERT HAS A COUGH.

New York, June 16.—Fitz Herbert will not start in the Suburban Handicap tomorrow and the keenly-afticipated meeting with James R. Keene's Ballot and Maskette must be deferred. It was announced today that S. C. Hildreth had withdrawn Fitz Herbert because of a slight cough contracted after winning the Brooklyn Handicap. Ballot probably will go to the post favorite with Fitz Herbert out of the way.

AMERICAN YEARLINGS FOR ENGLAND.

Iwenty from Kingston Stud on the Way and Consignment from Castleton Stud to Follow.

Lexington, Ky., June 16.—Charles B. Hill, manager of Clarence Mackay's Kingston Stud, left here this morning with twenty thoroughbred yearlings, seventeen of them sons and daughters of Meddler. They go to New York, where they are to take a steamer for England. Manager Hill was not advised definitely whether they are to be put into training, or to be sold when they reach the other side.

Maj. Foxhall A. Daingerfield received instructions today from James R. Keene to have shod all around and ready for shipment Saturday morning next sixteen colts and fifteen fillies of the fifty-eight yearlings now at Castleton Stud. Major Daingerfield was not advised in the telegram as to the destination of the youngsters, but he presumes that it is England.

No definite instructions have been received at Elmendorf Farm from Mr. Haggin's New York office with reference to the date for the departure of his yearlings for the Argentine Republic, but it is said that unless there is some change, in the laus mapped out by Mr. Haggin when he was here last week, they will leave here about Tuesday next and that the entire crop, 125 head, will go. Preparations to that end are in progress at the farm.

Four carloads of yearlings for the sale at Sheepshead Bay will leave here tomorrow morning. E. R. Bradley will have thirteen, G. D. Wilson eight, Charles C. Moore ten. O. D. Randolph five, George C.
